

The descendants of Meyer Fortus in Melitopol

(Note: a word Meyerovich after the first name is the patronymic that means “a son of Meyer”)

All the dates before 1917 are given by Julian calendar

1901 List of births absents, but from the marriage inscriptions of 1920 we know, that Isser and his wife gave birth to the daughter Mariam

In 21 Janv 1944 died in the battle Leonid Isaakovich Fortus, a senior sergeant, born in 1906 in Melitopol. It is very reliable that he is Izrail Isserovich, changing his name and patronymic.

1907

5 Apr 1907 Shlyoma and his wife Rukhlya gave birth to the daughter Liya

This woman used then the names Lidia Samoylovna or Lidia Solomonovna (that is she interpreted her father’s name Shlyoma as the Samoylo or Solomon).

Rukhlya, that is Rakhil Yudovna (a daughter of Yuda) Fortus died in 4 Apr 1926 being 46 years old. In 15 Oct 1927 Lidia married Lev Grigoryevich Shenkman. The descendants of this couple live now in Melitopol and are well known.

1908

18 June 1908 Isser and his wife gave birth to the son Meyer. Note, that Meyer-senior died in 1903, but Isser didn’t know it at once probably, because in 1906 gave the name Izrail, not Meyer.

1909

15 Nov 1909 Isser and his wife gave birth to the daughter Liya. We don’t know her story, but in 1919 Isser and his wife gave birth to other Liya, therefore this Liya must die before.

The property of Tsivya Shlyomovna Fortus, the wife of Huno Meyerovich Fortus, was sold in 1909 as the penalty, because their son Zelman was avoided the Army.

And in 1941 S.M.Fortus (1874-1941) is mentioned as the killed by Germans in Holocaust. It is Shlyoma, probably.

In 1946 Lidiya Solomonovna Fortus and Meyer Isaacovich (Isserovich) Fortus are mentioned as the decorated by the medal for Labor Valour in the War
